*Note: The Math and Science Departments require that TI-83 Plus calculators are used where indicated. They may be purchased at stores such as Costco, Hopaco, The Office Depot, Office Max, etc. The price varies from \$89-\$125. Please save "proof of purchase" seal and give to the Math Department Chair. They will be redeemed for equipment and resource books from Texas Instruments.

**If student already has a pair of Science Goggles from the previous school year, they do not need to be purchased. Goggles must provide a flexible mask that provides tight protection against chemical splash and impact. They must protect the entire eye area, give wide-angle vision and may be worn over regular glasses. They have an elastic strap. They can be purchased at any of the science supply companies such as Science Kit or Wards and at most hardware stores.
