### **IMPORTANT REMINDERS**

- 1) If your daughter is ill and will miss school, you must call the school office at 922-2744 from 7:30am-8:00am. A student may not attend after-school sports, dances, or other school functions if she has been absent that day or half of the day. (Please see Parent-Student Handbook)
- 2) Extended absences during the school year because of family trips, while occasionally unavoidable, severely disrupt the school's academic program. Unless permission is obtained in advance from the Head of School or the Student Dean, such absences will be unexcused. (Please see Parent-Student Handbook)
