

Honolulu Waldorf School Priority Admission Application Information

La Pietra - Hawaii School for Girls was saddened to learn that Honolulu Waldorf School will be closing its high school campus in Aina Haina. During this unfortunate time, La Pietra would like to extend our support and assistance to your school and families as you navigate the process of considering new schools for the upcoming 2019-2020 school year. We are doing what we can to assist families who are looking to continue their daughters' education in a school community that is supportive, nurturing, and values a strong partnership between the school and their families.

La Pietra - Hawaii School for Girls, a college preparatory private school for girls in grades 6-12, offers a low 7 to 1 student-teacher ratio and small class sizes averaging 10-15 students. Girls thrive academically and socially in our nurturing school that offers personalized attention, caring teachers who understand each girl's individuality, and a school culture designed to inspire young women to discover their passions, realize their potential, and to find success in college and beyond.

We would like to offer the steps outlined below to streamline the admission process for Honolulu Waldorf students and families.
