

## LA PIETRA LADY PANTHERS SUMMER VOLLEYBALL 2019

Aloha! We just wanted to share the information regarding our Summer Volleyball Program organized by our Middle School Volleyball Coach Carmen Sharkey.

This Summer our students who participated on the La Pietra Lady Panthers volleyball teams during the 2018 - 2019 school year (as well as students who are interested in participating in the volleyball program next year) are invited to take part in our La Pietra Summer Volleyball Program.

Starting on *Wednesday, June 12th* all La Pietra volleyball players in all grades will be welcome to come to the Skills Development Practice and Scrimmage sessions. Volleyball sessions will be on *Mondays and Wednesdays from 4:00 – 6:00 PM* through *Wednesday, July 17th* in the Gymnasium of the Barbara Cox Anthony Sports Complex on our La Pietra campus.

We do know that during the Summer time, schedules are busy with summer school, family travel, etc. Therefore, we would encourage the students in our Lady Panthers Volleyball program to attend skills training sessions whenever they are able to. It is not a commitment requirement to attend for the entire summer so we would welcome our volleyball student-athletes whenever they can attend. Those who attend regularly will definitely see their volleyball skills improve throughout the summer as they prepare for next year's volleyball season!

If you have any questions please contact our Middle School Volleyball Coach Carmen Sharkey ( [carmensharkey2015@gmail.com](mailto:carmensharkey2015@gmail.com) ) or Athletic Director Ross Kinsler ( [rkinsler@lapietra.edu](mailto:rkinsler@lapietra.edu) ) or (808) 282-8300. **GO LADY PANTHERS!**
